Webinar on the World Outlook Currently and After COVID-19 and Industrial Revolution 4.0

Dear Members and Guests,

As this Pandemic COVID-19 situation continues to develop, organizations around the world will be looking to understand what it means for them, and what strategies to employ in these uncertain times currently and in future.

Join with us in our IMA Middle East COVID -19 webinar on Monday, 27th April 2020, to discuss the insight about data and practice leading to current world economy and future outlook.

We also have our second session on Industrial Rev 4.0 and Data Analytics webinar on Friday, 1st May 2020.

Webinar 1 - The World Outlook COVID -19 - how good and soon?
